Steps to enroll at SC4 for returning students:

1. Complete the Returning Student Update Form

All former SC4 students (i.e. returning students who attended the college longer than two years ago) must complete and submit a Returning Student Update Form. The information provided is used to update your demographic and academic information.

2. Complete the Free Application for Federal Student Aid (FAFSA)

If you wish to be considered for financial aid assistance, you must complete the FAFSA form available online at www.fafsa.ed.gov. Be sure to enter the SC4 Federal School Code 002310 on the application.

3. Academic Advising

Former students are not required to meet with an academic advisor prior to registration. However, due to continuous changes in the curriculum at SC4 and the transfer requirements at four-year colleges/universities, **it is strongly recommended** that all returning students meet with an advisor. You may call the Student Success Center at (810) 989-5520 to schedule an appointment.

4. Register and Pay for Classes

Once you have completed your required enrollment steps, you may register and pay for your classes either online at www.sc4.edu/wave or in the One-stop Student Service Center, Room 123, Acheson Technology Center.
