

Go farther. Application for Admission

St. Clair County Community College

WWW.SC4.EDU

Welcome to St. Clair County Community College. We look forward to helping you “go farther” in reaching your dreams. Whether you are seeking a certificate or associate degree to help you enter the work force or taking classes to prepare you to transfer to a four-year university, SC4 offers a wide range of exciting program options for you. Please follow the steps outlined below to help you get started at SC4. We look forward to seeing you on campus soon!

Steps to enroll at SC4:

1. Complete the Application for Admission

All new and transfer students – Complete the Application for Admission and return directly to the Enrollment Services Office. If you have attended another college/university, complete the Official Transcript Request form (located on page 2) and send it to your previous college(s). (Some schools charge to have official transcripts sent.)

High school and college guest students – If you plan to attend SC4 while still in high school or while attending classes at another college/university, you must complete a guest application for admission, available from your high school counselor, in the Enrollment Services Office or online at www.sc4.edu/admissions.

2. Optional – Complete the Free Application for Federal Student Aid (FAFSA)

If you wish to be considered for financial aid assistance, you must complete the FAFSA form, available in the Financial Aid Office or online at www.fafsa.ed.gov. Be sure to enter the SC4 Federal School Code 002310 on the application. (High school guests and college guests are not eligible for financial aid.)

3. Orientation

Orientation is required for all new students. For your convenience the orientation is online at <http://online.sc4.edu>. You will be given user name and password instructions in your acceptance letter.

4. Academic Assessments

SC4 requires all new students (and transfer students without college level English and math classes) to complete pre-registration assessments of their math, reading and language skills. The scores will be used to assure proper course placement. Please contact (810) 989-5520 to schedule your assessments.

5. Academic Advising

SC4 requires all new and transfer students to meet with an advisor to help students plan for classes for the first semester and obtain information regarding degrees/certificates. Call the Student Success Center at (810) 989-5520 to schedule an advising appointment.

6. Register and Pay for Classes

Once you have completed the above enrollment steps, you may register and pay for your classes either online at www.sc4.edu/wave or in the One-stop Student Service Center, Room 123, Acheson Technology Center.

7. Activate SC4 e-mail account

All students must activate their new student e-mail account. Instructions are available online at www.sc4.edu/emailhelp. SC4 uses e-mail to communicate important information about billing, classes, deadlines, events, refunds and registration. Remember to check your SC4 e-mail account often. For assistance, call the Helpdesk: (800) 630-8918 or (810) 989-5858.

Mission

It is the mission of St. Clair County Community College to provide quality learning opportunities.

Non-Discrimination Policy

SC4, an equal opportunity Institution, is strongly and actively committed to increasing diversity within its community.

Accreditation

SC4 is accredited by The Higher Learning Commission and is a member of the North Central Association of Colleges and Schools: www.ncahigherlearningcommission.org or (312) 263-0456.
