

# Prepare to Work: Health Care PHARMACY TECHNICIAN

Fast  
training  
for today's  
jobs

Train quickly for a job  
in this popular career field.

## Pre-Assessment for Pharmacy Technician

This pre-assessment is required in order for you to be accepted into the Pharmacy Tech program. You will be assessed using a WorkKeys test in applied mathematics, reading for information and locating information.

Admission for this training program is competitive. Those with the highest scores, while meeting minimum requirements, will be accepted as space allows.

No cell phones allowed. Photo ID required.

### Sept. 9

Wednesday  
M-TEC 150  
Cost: \$50  
ZPAH 119 P1

5:30 to 9:30 p.m.  
Port Huron campus  
0 CEUs/4 Contact hours

## Pharmacy Technician

Train quickly for a job in this popular career field. The Professional Pharmacy Technician Program is 105 hours and is designed to teach you the fundamentals and particulars of being a pharmacy technician. You will explore various pharmacy practice settings and learn about drug classes, basic physiology, drug interactions and daily pharmacy operations. This class also will prepare you to take the national certification exam.

**Prerequisite:** ZPAH 119 Note: Students with allergies to medications should consult their physician prior to registration.

### Sept. 22 to Dec. 17

Tuesday and Thursday  
M-TEC 209  
Cost: \$1,495  
ZPAH 120 P1

6:30 to 9:45 p.m.  
Port Huron campus  
10.5 CEUs/105 Contact hours

## Prescription Insurance Specialist

If you are a pharmacist, pharmacy technician or pharmacy student wishing to become more comfortable with processing third party prescriptions and understanding the difference between Medicare, Medicaid and Medical Therapy Management Services (MTMS), then this class is for you. You will learn how to save time and money by implementing strategies that will allow you to take care of the pharmacy and allow the pharmacist to re-focus time on counseling and caring for patients.

**Prerequisite:** Background knowledge of pharmacy environment.

### Sept. 21 to Dec. 14

Monday  
M-TEC 209  
Cost: \$800  
ZPMO 124 01

5:30 to 9:30 p.m.  
Port Huron campus  
5 CEUs/50 Contact hours
