

ARTICULATION AGREEMENT

SIENA HEIGHTS UNIVERSITY And ST CLAIR COUNTY COMMUNITY COLLEGE

Siena Heights University, located at 1247 E. Siena Heights Drive, Adrian, MI 49221, with several Michigan degree completion centers and an online center, and **St Clair County Community College** located at 323 Erie St., P.O., Port Huron, MI 48061, believe that collaborative programs benefit the community, employers, and students in their regions. It allows smooth transition for students transferring between institutions and maximizes allowable transfer of credits. Therefore, **Siena Heights University** and **St Clair County Community College** are entering into the following agreement for articulation for the Associate in Applied Science-Nursing (AAS) at **St Clair County Community College** and the Bachelor of Science in Nursing (RN-BSN Completion) at **Siena Heights University**.

PRINCIPLES OF AGREEMENT

Siena Heights University (hereafter known as "SHU") and **St Clair County Community College** (hereafter known as "SC4") confirm the following points of agreement, to assure equal treatment of university/college and transfer students.

1. Credit completed at SC4 will transfer towards a SHU baccalaureate degree according to the parameters below and the transfer guide for the RN-BSN major.
2. As part of the admissions process, SC4 graduates must provide proof of a current unencumbered RN license from the State of Michigan, an official SC4 transcript (and individual transcripts from each institution attended beyond SC4), an application for admission to the SHU Nursing program, current resume and letter of recommendation from an academic instructor or manager/supervisor.
3. SC4 graduates under this agreement must apply and be admitted to both SHU and the RN-BSN program. SC4 students will receive equal consideration with other students seeking admission and financial aid.
4. SC4 graduates with a minimum of a cumulative 2.5 GPA (courses numbered 100 and above) entering under the terms of this agreement will transfer into SHU as long as the courses apply to their program requirements and admissions requirements are met.
5. No time limit (years) shall be placed on the acceptance of credit transferable from SC4 to SHU unless there is a specific policy limitation identified by SHU. A maximum of 90 hours of transfer credit can be applied to a SHU undergraduate program.
6. SHU and SC4 will ensure that they maintain accreditation with the appropriate regional accrediting body and ensure that all operations will be in keeping with accreditation requirements of the two institutions.

7. This agreement will automatically renew unless personnel from SC4 and SHU determine that a meeting is necessary to review and/or amend this agreement. Either institution may terminate this agreement at any time by written notice of at least one (1) year in advance of the effective date of termination. Students will be permitted to complete their SC4 program and then transfer.
8. SHU and SC4 agree to the development of joint promotional and communications efforts to graduates and current students. Ongoing promotional opportunities will be reviewed and determined periodically as approved between the appropriate representatives at each institution.
9. Responsibility for communication related to this agreement will rest with the Director of Advising and Articulation at SC4 and the Associate Director of Partnership Relations and the Director of Nursing for SHU.
10. Both institutions will provide counseling and advising to current and prospective students with regards to their respective program of study and the transfer process between institutions.
11. In the event the agreement must be terminated, SHU or SC4 agree to provide advance written notice of termination of this agreement. All students currently enrolled will be allowed to complete their designated program of study at SHU.
12. Each party shall be separately responsible for compliance with all federal and state laws, including nondiscrimination laws. The contract term includes applicable sections of the Michigan Handicappers Civil Rights Act (Act 220 of the Public Acts of 1976, as amended, being MCLA 37.1101 et seq.) and the Elliot-Larson Civil Rights Act (Act 453 of the Public Arts of 1976 as amended, being CMLA 37.2101 et seq.) and, in particular, the provision that illegal discrimination by either party may be considered a material breach of this agreement.

ARTICULATION AGREEMENT-2017

Siena Heights University at St Clair County Community College Baccalaureate Degree

(See degree transfer guide for specific course requirements and equivalencies)

SC4 Degree/Major

A.A.S. - Nursing

Siena Degree/Major

B.S.N. - RN-BSN completion

The Bachelor of Science in Nursing completion program for Registered Nurses is designed for a licensed RN to earn a Bachelor's degree in Nursing. Students admitted to the RN-BSN program must have graduated from an approved program of nursing; either a two-year associate degree nursing program or a hospital-based diploma program.

ARTICULATED PROGRAMS AT SIENA HEIGHTS UNIVERSITY

Candidates, for a SHU academic program of study, are required to complete the specific degree requirements for that program as outlined in SHU's undergraduate academic catalog. Candidates are required to present official transcripts from SC4 and any additional institution(s) attended, where applicable, and fulfill the admissions requirements, as identified, for the respective programs. The completed coursework (including degrees, where applicable) will be accepted by SHU following the admissions and academic policies of Siena Heights University.

SIENA HEIGHTS UNIVERSITY GENERAL DEGREE REQUIREMENTS

- The baccalaureate degree requires at least 120 semester hours for completion.
- Thirty (30) semester hour "residency" must be earned at SHU. Residency is fulfilled through online courses.
- Thirty (30) semester hours must be earned at the junior/senior level (300/400) at SHU.
- Students must fulfill all requirements of the SHU academic major.
- The cumulative grade point average must be at 2.5 to transfer into the SHU RN-BSN program.
- Up to ninety (90) semester hours of credit may be applied to a SHU baccalaureate degree. This includes six (6) credits in developmental classes, four (4) credits in physical education classes, CLEP and any prior learning credit earned within the degree at SC4.
- Courses with the grade of C (2.0) and above will transfer to SHU. The grade of D will transfer provided the course was completed *within* a conferred degree (e.g., associate degree); otherwise, the course is not eligible to transfer. A grade of D will not transfer into coursework required in the degree major.
- Students must fulfill all SHU liberal arts education requirements.
- Students must fulfill math proficiency requirements.
